

Hey Law!
By
Thomas F. Fischer

Needed: Two People

Note: This skit may be done in the style of "Fred" or "Obnoxious Orange" (use the Hahahahaha!). It can also be done as the Microsoft vs. Apple commercial with each person wearing a large sign in front of them, one saying "Law" and the other saying, "I'm Gospel."

1: Hi. Who are you?

2: I'm Law. Hahahahaha! Who are you?

1: I'm Gospel. Why are you Law?

2: I make people feel bad. Hahahahaha!

1: You enjoy that, don't you!

2: No. But I'm Law. That's what I do. I show people that they sin. Hahahahaha!

1: I'm glad I'm Gospel. I'm not sure I like you. I comfort people. I tell people about Jesus.

2: But you're Gospel. You have to like me. It's your job. Hahahahaha!

1: I don't know. You're mean. You're cruel. You make people feel guilty. You make them feel bad. I don't think I like you, Law. Get out of here!

2: I can't. God put me here. Hahahahaha! Hey Gospel! Do you know what is one of the best things about being Law ?

1: No. Is there any good part about being Law?

2: Sure there is. It's telling people that every time they sin they deserve death. Hahahahaha!

1: That doesn't seem nice. Why don't you cut it out?

2: I can't. I'm Law. God makes me tell sinners they are going to hell. That's my job. Hahahahaha!

1: How cruel! Do you enjoy that?

2: Doesn't matter. It's what I am. It's what I do. It's what God wants me to do. I'm Law. And I'm *never* going to stop condemning people and telling them what to do and how bad they are. What do you think of that, Gospel! Hahahahaha!

1: Stop that already!

2: No. I'm not going to stop. Not now, not ever. Not as long as there's sin. Hahahahaha! People aren't perfect. As long as there's Law, they're going to know it. Hahahahaha! I'll condemn them, threaten them and put the fear of God into them. Hahahahaha!

1: (*Gospel puts fingers in ear and shuts eyes so as not to hear*) Stop it! I've had enough!
